CARRIERS MUST PAY.

Their Failure to Affix Stamp Subjects Them to Penalties Provided by Law.

Washington, July 13.—In answer to references from the Commissioner of International Revenue all bearing upon the questions as to whether the shipper or carrier shall pay for and affix the required revenue stamp to bills of lading, etc., Assistant Attorney General Boyd has held as follows:

"The law makes it the duty of every railroad and steamboat company, carrier, express company or corporation, or person whose occupation it is to act as such, to issue to the shipper, consignor or his agents, or person from whom any goods are accepted for transportation a bill of lading, manifest or some other evidence of the receipt of goods, wares or merchandise received for carriage and transportation, and this bill of lading, manifest or memorandum requires a revenue stamp of the value of one cent affixed to it and canceled. In case of failure to issue such bill of lading the law imposes a penalty of \$50 upon the carrier guilty of such failure.

The penalty for failure to so affix the stamp is not more than \$100. The purpose of the law is clear. It was to tax the carrier and not the shipper, and these provisions undoubtedly fix upon the express companies and other carriers the duty of providing, affixing and canceling the stamp, and their failure to so provide, affix and cancel such stamps subjects them to the penalties provided by law. It is suggested that some of these carriers are refusing to receive goods for shipment until the shipper pays the tax. While it is not my province to advise as to the recourse which the shipper may have in instances of this kind, yet I am sure that the laws are ample to require public carriers and express companies to receive goods tendered for shipment or suffer damages for such refusal."

Mascot Flew the Coop.

When the Third Kentucky began mobilization at Lexington, Adjutant Robert Mitchell brought along from Bowling Green a little curly-headed boy, called "Topsy." Topsy was much petted by the regiment, behaved nicely, and was "just the card," as a valet. Since Tuesday morning, however, Topsy is severely missing from Chickamauga and with him eighty good dollars in greenbacks which he fished out from under Adjutant Mitchell's pillow some time after midnight.

Bloodless Fight at Chickamauga.

Maj. Jas. C. Bryant and Capt. Geo. T. Price, of the Second Kentucky regiment at Chickamauga, had a fight Wednesday. Maj. Bryant accused Capt. Price, who is team master, of feeding the battalion provender to private horses and Price called him a liar. Bryant did not resent it, but went off and said some hard things about Price, which caused the latter to look him up and denounce him and the quarrel reached such a heated stage that Price struck Bryant with his fist. Bryant was sent to his quarters by Col. Castleman.

AN OPEN LETTER To MOTHERS.

WE ARE ASSERTING IN THE COURTS OUR RIGHT TO THE EXCLUSIVE USE OF THE WORD "CASTORIA," AND "PITCHER'S CASTORIA," AS OUR TRADE MARK.

I, DR. SAMUEL PITCHER, of Hyannis, Massachusetts, was the originator of "CASTORIA," the same that has borne and does now bear the fac-simile signature of *Chas. H. Fletcher* on every wrapper. This is the original "CASTORIA" which has been used in the homes of the Mothers of America for over thirty years.

LOOK CAREFULLY at the wrapper and see that it is the kind you have always bought

and has the signature of *Chas. H. Fletcher* on the wrapper. No one has authority from me to use my name except The Centaur Company, of which Chas. H. Fletcher is President.
